

As a member of the service industry since 1989, A & A Facility Services, Inc. specializes in all areas of janitorial services, recycling, building maintenance, lawn maintenance, etc. A & A Facility Services is a minority owned & a historically underutilized business (HUB), as certified by the Small Business Administration (SBA).

We will service your building(s) for one (1) monthly fee. There is no need to pay extra for floor stripping, carpet shampooing, window cleaning, and staffing when we do it all.

A & A Facility Services, Inc. has the capability to perform all services at any facility. Our proven management process and innovative training procedures, allow us to provide top quality services for less.

Most companies are progressing toward quality versus bottom line price. That's where A & A Facility Services, Inc. comes in.

We will not jeopardize our quality standards to out bid our competition. We offer top quality services at a fair price.....every time.

Understanding the commitment to our customers is paramount to success. We have become one of the fastest growing service companies in the Southeastern United States.
